6th of February 2020

Dear parents of the Gastkind project for summer 2020,

Please keep free the following date: **15th of April 2020.**

It is our final meeting for clarifying your last questions/inquiries with respect to the Gastkind project.

Where: Large conference room;

Time: from 13.30 to 15.00 o'clock

At this occasion I-Hua and I will answer urgent questions, translate German instructions, help you understanding the contract, give you further information etc.

In case that you have already filled out a contract (it will usually done between you and a Kindergarten; afternoon activities at school sometime also demand the signing of a contract), which was send to you by me or directly by a kindergarten, please bring it along with you (printed out version)

Below is the link of confirmations already received by the schools and kindergartens in Germany (see the green fields):

[Inscription list Gastkind summer 2020](#)

Important: Please confirm your attendance via email to I-Hua!

* * * * *

Finally here a list of what the children need for visiting a school or kindergarten in Germany:

Insurance and Vaccination

- an additional international insurance (TES international insurance covers only for approx. 1000 Euro)
- liability insurance (in case your kid is breaking something of the schools property; i. e. a window)
- complete vaccination (especially against Kinderlähmung (polio); Diphterie (diphtheria) and Mumps-Masern-Röteln (mumps-measles-rubella); but usually the Taiwanese inoculation regulation covers all this)

personal items/materials for the school (class 1-4, students from Secondary School):

- 1 Federmäppchen with all the necessary items inside (drawing pencils, sharpeners, pencil, ruler, rubber etc.)
- 1 DinA 4 booklet lined
- 1 DinA 4 booklet squared
- sports clothes (shoes and shirt and trousers; you can also use the TES uniform)
- Malerkittel
- a "Schulranzen" is not necessary, a backpack will do also (to keep all the stuff together)
- leak proof drinking bottle
- a lunch box (with the breakfast inside)
- indoor shoes (no slippers)

personal items/materials for the Kindergarten (Flex 0, kindergarten):

Usually the same what the kids have in kindergarten. Therefore we recommend:

- a backpack
- leak proof drinking bottle
- a lunch box (with the breakfast inside)
- indoor shoes (no slippers)
- change of clothes
- rain boots
- cap (for sun protection)
- mosquito spray
- sun cream
- raincoat
- mud and rain pants (not in every case necessary; please inquire personally with the kindergarten)
- toothbrush, toothpaste and rinsing cup
- sports clothes (shoes and shirt and trousers) in a separate bag
- Malerkittel

Kind regards,

--

Karsten Schumacher

Lehrer im Vorschul- und Grundschulbereich
